Our appreciation to the members of the M.C.O.E. staff, school districts' staff and all others who participated in the preparation and production of this year's Directory.

On our Cover: Salad Bars Sprout Up in Our Schools.

Monterey County is the "salad bowl of the world" so it is fitting that salad bars be found in all of our local school cafeterias.

In 2012, the Growers Shipper Association Foundation (GSAF) launched a campaign to raise \$3,000 per salad bar with the goal of funding a salad bar for every school in the county. More than \$75,000 has been raised to fund salad bars in Chualar, Gonzales, Greenfield, Monterey, and Salinas. The funds provide each school with training for salad bar setup, use and sanitation.

The salad bar concept continues to grow. The Monterey Peninsula Unified School District was the first to receive an industry-funded salad bar from GSAF. Gonzales Unified School District followed suit and launched the program in its elementary and middle schools. In addition, two salad bars were funded at the Salinas Boys and Girls Club facilities, feeding more than 800 children a day, year-round.

Another program is set to launch to redirect surplus food service produce shipped out of the country to local schools. And, GSAF has applied for a grant to fund 75 more salad bars in the tri-county area over the next three years.

A special thanks goes out to all those schools who are providing our students with an array of healthy food options through these salad bars.

To learn how your school can get support for bringing a salad bar to a school in your community, visit www.saladbar2schools.org.

DIRECTORY OF NON-PUBLIC SCHOOLS

California State Education Code Section 33190 requires all private elementary and high schools to annually register with the State Superintendent of Public Instruction. Education Code Section 48222 provides that attendance at a private school exempts a child from compulsory attendance at a public school only if the private school has met the requirements of Education Code Section 33190.

The California State Department of Education does not approve, license, or accredit private elementary or secondary schools. The schools listed in this Directory are those certified as having submitted correct and complete affidavits and have requested to be listed in this directory.

Questions regarding certification should be directed to the Demographics Unit, California State Department of Education, telephone number (916) 657-3812.

Blank copies of Form R-4, the "Private School Affidavit" are available from:

**California Department of Education
1430 N Street, Fourth Floor
Sacramento, CA 95814**

Online information regarding private schools in California is available at:

<http://www.cde.ca.gov/PrivateSchools/>

For schools listed in this Directory, if the school did not indicate a religious affiliation, or does not affiliate with a religion, that space is blank. If the listed school is identified as offering special education programs for exceptional children, those programs are shown.

Unless otherwise noted, the area code is (831)
