

Salaries of town employees; cont'd to next page

With Town Meeting scheduled for this Saturday, 5/5, it is time for our annual publishing of town employee salaries as they appear in the Fairhaven Finance Committee's

report to town meeting. The list on pages 26-30 has been scanned directly from that report. The amounts listed are actual dollars paid to employees from Jan. 1,

2011 through 12/31/11. Last year, our annual salary issue was published on 5/5/11, and is available on our website: www.NeighNews.com on the 2011 archives page.

Letters from page 22

race. The races had participation of ages that spanned 3-80.

The perennial road race participants included Joe Fernandez and Gail Isaksen. The race also included Fairhaven Superintendent Bob Baldwin, who brought over 30 Fairhaven students, from the "Band of Brothers" team at Wood School to run with him. They were all dressed with the same T-Shirts and ran as a team.

To say the least, it was a heart-warming experience to see so many participants involved in a well organized family event that promotes healthy life time skills that running offers.

The group raised over \$10,000 in their effort, so the mission of the West Island 5K was a total success and the FHS Cross Country will perpetuate. Hats off to all those involved in the West Island 5K

*Steve Bender, Mattapoiset
Fairhaven High School Cross Country
Coach 1985-1993.*

How about these names?

Since Maggi Pierce of Fairhaven commented that naming the turbines

will make them the town's own (S-T, April 19), may I suggest that the town call the turbines: Don Quixote and Sancho Panza.

Not only do Miguel Cervantes' characters bring to mind "wind power" but also the controversies over its presence in Fairhaven. Don Quixote perceived not a wind turbine nor even a windmill, but a raging, giant monster wildly waving its arms, threatening the community. Sancho tried to convince his boss not to attack a harmless machine and then assisted Quixote after a horseback charge, where the Don's lance became tangled in the windmill's sail, unhorsing and injuring the knight.

Don Quixote and Sancho then hit the road again to many more "misadventures." It is important to note that they did so together.

Donald J. Mulcare, Fairhaven

Attention Town Meeting
Members

This Saturday, May 5th, is the big day. I hope that there will be cool heads and conscientious voters in attendance who will vote in favor of

articles that will benefit the entire town instead of their own agenda. Having said that, I am publicly sharing that I will not vote in favor of a school budget beyond what is recommended by the Finance Committee. My reason for this is that, after attending the Public Hearing at the School Committee meeting of March 11th, I am extremely disappointed (to say the least) that the School Department will make dozens of cuts at the middle school level of our school system instead of considering user fees for non-mandated services such as Kindergarten and Extracurriculars.

If my tax dollars go to supporting the non-mandated services 100% and only serve a fraction of our students, instead of supporting educational programs that will benefit 100% of our students, I will not pay one penny more that what the FinCom recommends. I hope that the School Committee will not allow the disembowelment of the middle school in favor of 100% support of non-mandated services.

Diane Hahn, Precinct 2
